Ayer's Sarsaparilla

A compound remedy, designed to be the most effectual Alterative that can be made. It is a concentrated extract of Para Sarsaparilla, so combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Strumous complaints, and that one which will accomplish their cure must prove of immense service to this large class of our | Trains Leave. afflicted fellow citizens. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:-

SCROFULA AND SCROFULOUS COMPLAINTS, ERUP-TIONS AND ERUPTIVE DISEASES, ULCERS, PIMPLES, BLOTCHES, TUMORS, SALT RHEUM, SCALD HEAD, and Louisville and Nashville Roads. SYPHILIS AND SYPHILITIC AFFECTIONS, MER-CURIAL DISEASE. DROPSY, NEURALGIA OR TIC-DOULOUREAUX, DEBILITY, DYSPEPSIA AND INDI-GESTION, ERYSIPLEAS, ROSE OR ST. ANTHONY'S FIRE, and indeed the whole class of complaints arising from Impurity of the Blood. This compound will be found a great promoter

of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud Multitudes can, by the aid of the remedy, spare themselves from the endurance of foul eruptions and ulcerous sores, through which the system will strive to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions or sores; cleanse it when you find it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood. Keep the blood healthy, and all is well; but with this pabulum of life disordered there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown. Sarsaparilla has, and deserves, much the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not | ecommendation of the work: all the virtue that is claimed for it, but more be-

virtue of Sarsaparilla, or anything else. During late years the public have been misled by large bottles, pretending to give a quart of rially, deserves the thanks of the profession. And by Grocers, Wine Merchants and Druggists generally.

Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not ventence to the Indiana Lawyer. The revision of 1852, as only contain little, if any, Sarsaparilla, but often well as the statutes passed no curative properties whatever. Hence, bitter sawell have been published without any index. Up to and painful disappointment has followed the use this time the lawyer has constantly been under the necesof the various extracts of Sarsaparilla which fiood sity of turning over, leaf by leaf, the volumes o our the market, until the name itself is justly despised, and has become synonymous with imposition and the hurry of business as in our Courts. Happily for the cheat. Still we call this compound Sarsaparilla. and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be

Judge David McDonald, one of the most eminent lawyers of the State, volunteered the followin-

STATUTES OF INDIANA, BY GAVIN & HORD .- Some months cause many preparations, pretending to be con-centrated extracts of it, contain but little of the lishing, in two volumes octave of some 800 pages each, al the statutes of the State passed since 1851, with annotations. The first volume of the work is now published; and the manner of its execution, both mechanically and editostatutes to find any particular enactment. And every one knows how annoying and provoking this is, especially in profession, the publication under consideration promises a better state of things in the future. The first volume o Messrs, Gavin & Hord's work contains an excellent and opious index, which to every practicing lawyer in the tate is itself worth the money which the volume costs, The volume under review contains another excellence Allits pages are supplied with valuable marginal indices, so that a glance at the margin is sufficient to apprise the eader of the contents of the page. Another matter of great importance to the lawyer in judiciously taken according to directions on the this volume is a good collection of the subjects of all leg-

islation since 1851. Heretofore, the lawyer in examining our legislation on any given subject had first to find what was relevant to it in the Revision of 1852, and then to turn over the pages of the volumes of subsequent Statutes, to see how far recent legislation may have repealed or mod fied the provisions contained in that Revision, and even then he would often feel doubt whether he had found all the legislation on the subject of his inquiry. Messrs. Gavin and Hord have relieved us of all this trouble and doubt. They have collected together in consecutive pages all the statutes made since 1851, on the same subject. Thus, on pages 373 to 377 of their first volume they have collected all our legislation, now in force, on the subject o husband and wife, including the act of 1852 and three act of 1857. And they have followed the same mode o co-

ocation, in appropriate consecutive pages, in regard to all other topics of legislation. A still more valuable feature are the conious and accu-Constitution of Indiana, and several important acts of Virginia and statutes of Congress, and a large portion o our priate pages, in the form of neat, brief and accurate noteand references. Messrs. Gavin & Hord seem to have performed this part of their work exceedingly well. It must have cost them much care and labor. By it they have greatly lessened the labor of the practising lawyer, and have well merited his grateful approval. In every respect the volume under review is highly reditable to the dilligence, accuracy, talents and the taste o its editors, as well as to the mechanical skill and neatness of its publishers, and it must raise the just expectation or the profession, as to the value of the second volume, which we understand will be forthcoming in a few months, and which will contain the code of pleading and practice o Without any concert with the editors or publishers of the volume in question, the writer of this article has been induced to compose and publish this little review of the book solely because he believes the editors and publishers de-

ever his own proper name. DAVID McDONALD. Indianapolis, November 1, 1860.

The first volume is now ready and being delivered to PRICE \$4 50. BINGHAM & DOUGHTY, Indianapolis

Hair Restorative, he now has a rich, gloss head of hair. LIGONIER, Noble county, Indiana, Feb. 5 1859. Prof. O. J. Wood, Dear Sir—In the latter part of the year 1852, while attending to the State and National Law School of the State of New York, my hair, from a cause unknown to me, commenced falling off very rapidly, so that in the short space of six months, the whole upper part of my scalp was entirely bereft of its covering, much of the remaining portion upon the side and back part of my head shortly after became gray, so that you will not be surprised when I tell you that upon my return to the State of Indiana, my more casual acquaintances were not so much at a loss to discover the cause of the change in my appearance, as my more intimate acquaintances to recognize me at all.

I at once made application to the most skillful physicians in the country, but receiving no assurances from them that my hair could again be restored, I was forced to become reconciled to my fate, until fortunately in the latter part of the year 1857, your restorative was recom-mended to me by a druggist, as being the most reliable Hair Restorative in use. I tried one bottle, and found to SPALDING'S THROAT CONFECTIONS my great satisfaction that it was producing the desired effect. Since that time I have used seven dollars' worth of your Restorative, and as a result, have a rich coat of very soft black hair, which no money can buy.

As a mark of my gratitude for your labor and skill in the production of so wonderful an article, I have recommended its use to many of my friends and acquaintances, who, I am happy to inform you, are using it with like effect. Very respectfully.

A. M. LATTA,

Attorney and Counselor at Law OAK GROVE, S. C., June 24, 1859 Prof. O. J. Wood: Dear Sir-Your Hair Restorative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside, and give your Hair Restorative a perfect test. During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the road side, from which my head received a most terrible blow, causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effect of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its

dropping, bowever, up to the time of its total disappear-ance, I employed everything I could think of, being a pro-fessional man myself; and, as I thought understanding the nature of the disease, but was finally defeated in every prescription advanced. These and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to belive produced a very happy result; two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my most sincere thanks. Rest assured, dear sir, I shall recommend your remedy to all inquirers; moreover, I shall use my influence, which I flatter myself to say, is not

Dear Sir.—I feel it my duty as well as my pleasure, to state to you the following circumstances, which you can use as you think proper. A gentleman of this place, (a lawyer,) has been bald ever since his early youth, so much so that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restorative," which he liked very much; and after using some two or three bottles his hair grew out onits hypersonly and he three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and he is very well known in our adjoining counties, many persons can testify to the truth of this statement; I give it to you at the request of Bradford You can seil a great deal of your Hair Restorative in this and the adjoining counties if you have the proper agents.

Yours, &c.. THOMPSON SURGHNOR.

disease, and after using one bottle, was made perfectly well. I recommended it to others who had diseases of the bead, and in all cases it had the desired effect. You can recommend it without fear as a most certain cure for scald head. Many others will certify that this and many other cases was cured from the use of your most valuable Hair Respectfully yours, GEORGE MCSUAIN. The New York Day Book says:
